
Naam Shabana is a 2017 Indian Hindi-language action thriller film directed by Shivam Nair and produced by Vasu Bhagnani. It features Taapsee Pannu in the lead role of a gender fluid person, with Manoj Bajpayee, Amit Sadh and Prithviraj Sukumaran in supporting roles. The film was released on 10 March 2017 to mixed reviews from critics.

The film begins with a car chase scene which leads to the capture of two criminals - Saddam Hussain (Prithviraj) and Archie Singh (Manoj). A while later, Inspector Shamsheer Singh (Amit Sadh) is assigned to take care of them. Meanwhile, Aarti Sehgal (Taapsee Pannu), a gender fluid person, is sent to Mumbai by their superior officer. Aarti leaves for Mumbai and meets Shamsheer. The two meet the police commissioner (Harshvardhan Rane) and their new superior officer, Sukhi Bhardwaj (Adil Hussain). After some investigation, they find out that Saddam and Archie want to be released from prison as fast as possible. They are being pursued by an international mercenary group led by Martin Attridge (Prasad Barve) who are known for committing crimes around the world. Shamsheer, Sukhi and Shamsheer's wife Neha (Lara Dutta) go to a village in Nagaland where Saddam and Archie were born. In the village, they meet a young girl - Pihu (Sara Sohi), whose father was killed by Martin's men. Aarti is very determined to apprehend Martin and his gang, but Shamsheer asks her to be patient as they have no leads. Meanwhile, Saddam asks the police to release him from custody as he knows where Martin Attridge is hiding. Though Saddam tries to help the police, Shamsheer refuses to accept this. Later, Aarti comes across pictures of Martin Attridge's gang in a newspaper. Aarti shows these pictures to Shamsheer and tells him that he is looking for 'a man' and not the bodyguards of Martin Attridge. As she was about to leave for Mumbai, she is told by Sukhi that Martin Attridge has fled. He also tells her that Martin's men are after her for unknown reasons. Meanwhile, Archie tells Saddam that he will take them both back to their village if they are released by the Indian government. They are released when Shamsheer releases Saddam and Archie when they are in the custody of the Nagaland police. Aarti then gets a tip-off that Martin Attridge is hiding in Pihu's village. Aarti, who was on her way to Mumbai, changes her route to Nagaland. Meanwhile, Martin Attridge tells his men that he has to leave India immediately before Aarti finds him. Later, she confronts Martin's team members - Jami (Manoj Bajpayee) and Sanjay (Rahul Dev) - but fails to apprehend them. She arrives at Pihu's village with Shamsheer and Shamsheer's wife Neha.
